

To Whom It May Concern:

I am deeply concerned about the level of control over the media that Sinclair Broadcasting Group is exercising. Please take action in controlling this reckless corporate conglomerate.

You don't have to be a democrat to be afraid...tables turn fast. In order to protect our rights, and to ensure fair and accurate news coverage, we have to uphold the protection laws that are in place. Using the airwaves as a propaganda tool for a political agenda, is a tool that has been used in Communist and Fascist societies alike. I am an Independent... the anti-Kerry agenda is a side issue, the potential danger for allowing this unethical practice is the big picture. We must protect our freedom. Thanks for reading,
